Our Hoagknit Sweaters, the best for the price in America are ready. Cloths of good weight. New styles for dresses and waists are now ready. We do not wait until we have calls for these goods. We will take extra good care of your Dry Goods wants—better than ever before. Our stock is larger and better bought. We are enlarging our store by opening up our basement for a sales room.

Have you ever had or seen our Endurance Cloth? This is the very best 12½c cloth on the market. It has more style and better wear than Gingham. It is fast color.

Devonshire Cloth, in all colors—this is 32 inches wide, very fine threaded and in new fall styles. This cloth was originally made to sell for 25c per yard. Two years ago we sold it for that price. Lower prices on cotton and a very much larger output have brought the price down to 18c per yard. Send for samples.

Warm Days and Cold Nights

call for some kind of warm wrap. If you do not see your way clear to buy a Sport Coat, buy a Hoagknit Sweater, that never gets out of style, that will wash when soiled and will wear for seasons, and the price is only \$5.98. These sent by our free parcel post.

Silk Sweaters sell in large cities by the quantity. They are beginning to be good in Barre. We have a new lot, new stripes and plain colors; very, very stylish, and our price is very low—only \$5.98 each. These you can see in Boston at from \$6.50 to \$7.00 each—same grades.

Our winter Underwear is in stock, ready for an early call. This means a full line of Munsing Underwear, the best line of Underwear that we know about. All styles, popular prices, no more than you pay for poorer makes. Black Cat Fall and Winter Hosiery ready; values are better each season. The most popular 25c line of Hosiery in this country to-day.

Ladies' Fall Suits

Our early showing of fall Suits is interesting many early buyers. The designs are entirely new, the styles are quite different. The lines are very graceful. Never was there a season when there was so large a range of attractive designs. While Blues will be good, the demand for Mixtures has a tendency to be very strong. Brown and Greens are also among the leading colors.

Serges will be very good again but Poplins seem to lead, with Gabardines in good demand. Broadcloths are being shown quite freely. Good authority says that Mixtures will be the best this season that they have been in many seasons.

We now have a full line of these, this season's newest and best suit models, ready for your inspection and selection. We are anxious to have you see the line and pass judgment on them. We are looking for the largest suit season we have had in many seasons, which accounts for our large showing so early in the season.

We are enlarging our Millinery business. A little later we will talk to you very strong on this department. We are going to interest lots of ladies that hardly know we sell Ladies' and Misses' Hats. We are now showing a good lot of early fall street hats.

NOTABLE ANNIVERSARY

Was That of A. Maynard Lyon at Brandon Last Night.

Brandon Aug. 30.—A. Maynard Lyon of Norfolk, N. Y., philanthropist, author, 40 years a real estate dealer in New York, and president of the Northwestern Medical dispensary in New York, last night celebrated at the Congregational church here, where he attended service when a lad and which stands in the shadow of a mountain named for his ancestors, the 97th anniversary of his birth.

A feature of the service, which was arranged by Rev. W. G. Martin of Fair Haven, was a number of hymns and anthems written by the venerable guest. Mr. Lyon delights in writing verse and passes much of his time in this way. Some of his words have been set to music by Charles G. Petrake of Albany, N. Y., and the Misses Ethel and Kathryn Gorgen of Albany were vocal soloists at the service last evening. Mr. Petrake presiding at the organ.

Mr. Lyon's next task will be writing a history of his life. He left his former home in Pervoro, England, last summer after the European war started. At a concert on board ship Madame Hirsch accepted permission to sing his composition, "National Hymn," and the great singer gave this with wonderful effect, a collection which was taken netting \$500 for Red Cross work.

Mr. Lyon has received many congratulations on his near approach to the century mark. Several of these were from prominent people, including Cardinal John M. Farley of New York. Mr. Lyon is still in good health and has good eyesight, and he enjoys motoring. He was at Brandon merely for the week-end en route to Norfolk.
